### Synopsis

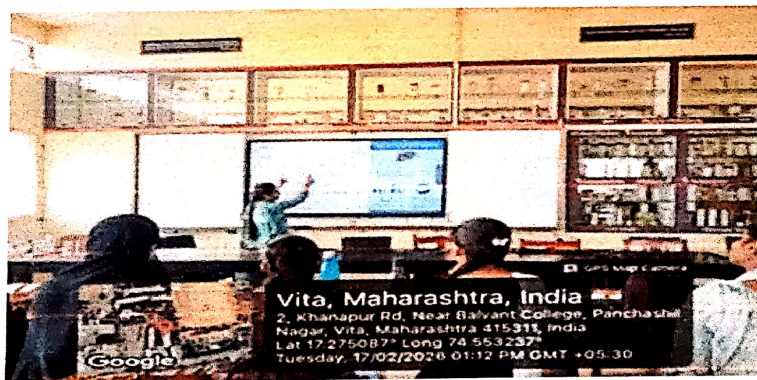

The Guest Lecture on “Preparation of Research Poster for Scientific Presentations” was organized by the Department of Zoology, Balwant College, Vita, on 17<sup>th</sup> February 2026. The lecture aimed to provide students with practical knowledge on designing effective and professional research posters for scientific presentations. The programme began with the introduction of the resource person by Mr. R. J. Patil, IQAC Coordinator. The resource person, **Dr. Anuradha K. Shinde**, Assistant Professor, Department of Zoology, delivered an informative session on poster layout, content organization, use of graphs and images, font selection, colour combination, and presentation techniques. A total of 10 students of B.Sc. III and M.Sc. II participated in the programme. All faculty members of the Department of Zoology, including Dr. S. B. Pol, Ms. R. D. Kate, Ms. A. A. Shinde, Mr. A. S. Pawar, and Ms. P. R. Shinde, were present for the programme. The programme concluded with a vote of thanks proposed by Ms. P. R. Shinde, Assistant Professor, Department of Zoology.

### Objectives

To provide students with practical knowledge in designing effective research posters for scientific presentations.  
To develop skills in organizing and presenting scientific data clearly and effectively.

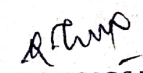

### Outcomes

Students understood the basic principles of scientific research poster preparation.  
Students developed the ability to design clear and effective research posters.
