Title of Program: **Career Guidance Activity 2025-26**

Day: Saturday

Date: 18th April 2026

Time: 2:00 pm.

Beneficiaries: 32

Synopsis

A collaborative Career Guidance Activity was jointly organized by Balwant College, Vita and ACS College, Palus for the students of B.Sc. II Zoology. The primary objective of this program was to provide students with valuable insights into various career opportunities available in the field of Zoology and to guide them in making informed decisions about their future academic and professional paths.

The highlight of the event was an expert session delivered by Dr. S. M. Kumbhar, Professor, Department of Zoology, ACS College, Palus, who served as the resource person for the activity. Dr. Kumbhar shared his extensive knowledge and experience, offering students a clear understanding of diverse career options such as higher education, research opportunities, wildlife conservation, environmental management, teaching, and roles in government and private sectors.

During his session, Dr. Kumbhar emphasized the importance of skill development, specialization, and staying updated with current advancements in biological sciences. He also guided students on competitive examinations, postgraduate studies, and emerging interdisciplinary fields related to Zoology. The collaborative effort between the two institutions proved to be highly beneficial, fostering academic interaction and providing a platform for knowledge exchange. Students expressed that the session was informative, and helped them gain clarity about their career goals.

Objectives

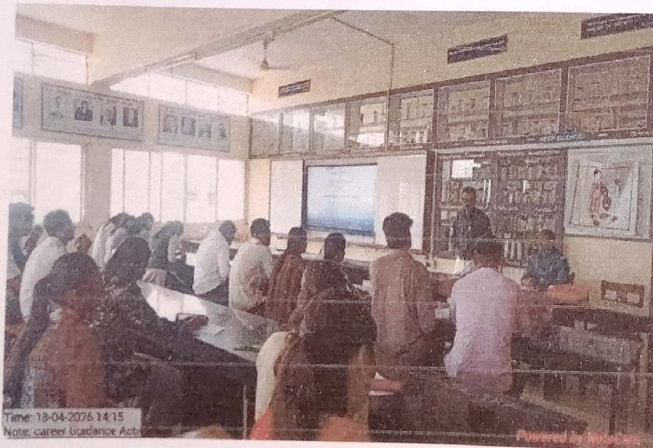

Outcomes

To create awareness among students about diverse career opportunities in the field of Zoology.

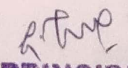

Students gained clear understanding of various career options in Zoology.

To guide students in planning their future by providing information and emerging career paths.

Students were motivated and better prepared to make decisions regarding their higher studies.
