PARENT INSTITUTION :-

Rayat Shikshan Sanstha was established in 1919 with a highschool at Kale by Padmabhushan Dr. Karmaveer Bhaurao Patil. It was founded to provide educational facilities to downtrodden and socially backward sections of the society irrespective of caste, creed, sect, region and religion. It lays emphasis on the education of the downtrodden, especially, in the rural area of Maharashtra. According to Dr. Karmaveer Bhaurao Patil education can eradicate illiteracy, untouchability, caste hierarchy superstitions and inequality to promote healthy human and social life. He had an incisive understanding of the social ills that beset his times and had fully realized the dire need of the spread of education. He was the prophet of the poor, the weak and the dispossessed. So he extended help through education to such people for their upliftment.

He established the institution with the following aims and objectives:

1. To impart liberal and vocational education from pre - primary to university level irrespective of caste, creed and religion.
2. To enhance education and knowledge to remote, tribal & rural area.
3. To empower women by establishing women institutions.
4. To imbibe ethical, social, cultural values through education.
5. To inculcate value of education through self help.
6. To develop educational network exploiting modern communication media and technology.
7. To avail the employment opportunities in the global market.
8. To enrich and maintain quality and standard in education.
9. To arrange faculty improvement programmes for teaching and non - teaching.
10. To train the students in disaster management and to extend all round help to the affected people.

All the institutions are working on the objectives laid down by the parent institution. Today, it has 740 institutions including 40 senior colleges and is one of the biggest leading educational institutes in Asia. It has founded 'Karmaveer Vidyaprabodhini' to impart competitive education, career oriented courses and vocational courses for the students to make them self reliant in the global market

ABOUT THE COLLEGE :

Balwant College, Vita was established in 1963 with 20 students to impart higher education in the rural areas as per the initiatives and demand of the local people. By the support of local people in the form of donation of money, land and grain, the college has achieved sustainable progress in the course of time. Today, it is full - fledged with sufficient educational amenities and infrastructure. It is imparting education from 11th standard to post graduate in the streams of Arts, Commerce and Science. It has started B.B.A. and B.C.A. degree courses with the affiliation of Shivaji University, Kolhapur. It has well - furnished and equipped laboratories, computer centers, library, Gymkhana, N.S.S., N.C.C. for the development of students. In addition, the college runs computer courses, short term courses, IBPS course and Competitive Examination Center for the better future of the students. The college has started 'Gurukul' project for the 11th and 12 th standard students. The college also runs its own consultancy services and extension activities for the benefit of the students, alumni, stakeholders and local people.

VISION & MISSION OF THE COLLEGE:

FACILITIES

HOSTEL

There is a separate provision of hostel for girls/boys. **The Sharadabai Pawar Ladies hostel** was established in 2011 within college premises. Due to increasing number of faculties and courses, the total strength of girls and boys has increased considerably. Girl students from rural area, specifically those belonging to weaker section, discontinue their studies because of non availability of adequate hostel facilities, at reasonable cost, at places where our institute are located. Girl's hostel is able to enable and encourage girl student to attain quality education & to provide suitable, safe and inexpensive accommodation to girl students residing in places away from their hometown to be able to study. The capacity of hostel is 100 girls. There are 40 rooms consisting bed, cupboard and fan in every room. Hostel provides accommodation, pure drinking water supply, hot water supply, study room, proper meal, equipped kitchen, dining hall, visitor's room, security etc.

The Boy's Hostel is running well in Balwant College, Vita by staff management. The students who are needy and from 'earn and learn scheme' from the nearby villages of Khanapur Tehsil are taken admission in this hostel. There are 4 rooms and 16 students are admitted in this hostel. The basic and educational facilities are also provided in the college for the hostel students. The concession is given to the needy students.

CANTEEN

The canteen is very spacious and offers hygienic food at affordable rates. The canteen has lunch cum break fast available, mess facility for needy students, pure drinking water facility with separate seating arrangement for girls, boys and staff.

AUDITORIUM

NSS (National Service Scheme)

The national Service Scheme (NSS) is part of our academic, social and personal life as it is the third dimension of education. It allows the students to actively contribute their services for the cause of community and the nation, thus helping them develop their personality. Balwant college has tow N.S.S. units. The Motto of NSS is "Not Me But You", reflects the essence of democratic living and upholds the need for self - less service. The N.S.S. units of the college arranged special camps in nearby villages. N.S.S. Undertakes projects like blood donation, AIDS awareness drives, voter awareness rally, personality development programmers and various competitions, tree plantation, cleaning campaign etc. Students enrolled in N.S.S. learn discipline, dignity of labour, teamwork and co operation. The N.S.S. helps the volunteers to develop their personality through community service.

EARN AND LEARN SCHEME

Earn and learn scheme is available for the needy and promising students. This scheme is significant feature of our college. This scheme is beneficial to students to motivate them to follow the moto of Rayat Shikshan Sanstha. i.e. Education through self - help is our motto. The scheme offers suitable remuneration at hour basis and also offers concession in admission and hostel fee.

PLACEMENT CELL AND CAREER GUIDANCE

Placement cell strives to open job opportunities to our students by arranging placement camps and campus interviews by various industries and organizations. We have established MOU with Supriya Lifesciences, Chiplun through which several students are selected every year. Thermax Babcock Wilcox and placement cell arranges campus drive every year through which several students grab opportunity to work with the reputed organization. Furthermore, students were placed off campus in various reputed organizations such as Lupin, Cipla, Macleod, Aarti drugs USU vitamins, Chiplun etc. For Arts and Commerce students campus interviews of various organizations such as ICICI bank, HDFC Bank, Karad Urban Bank, call centers and BPO are arranged. Lectures on 'How to face Campus drives', Career opportunities after graduation post - graduation', 'Personality development' are organized by placement cell to fabricate students towards campus drives with the help of reputed consultancies.

Career Oriented Courses

The Career Oriented Course is the UGC initiated major programme of vocationalisation at undergraduate level. The scheme was designed to ensure that graduated who pass out after completing these courses would have knowledge, skill and aptitude for gainful employment in the wage sector in general and self-employment in particular. GREETINGS

Dear
Students/Parents/Stakeholders
Greetings from Balwant College Vita..

Let me congratulate you for selecting our college that will open a golden gate for your career. You are all aware by now that this college is the most sought after institute in the vicinity of Vita Not only that, but these days, students from far off places are also opting it with a belief that Balwant will shape up their career. Recently, that is in the year 2017, our college has been accredited with A grade by NAAC. This itself speaks volumes about the quality quotient of the college.

This status, adoration for any institute, has been the outcome of the quest for excellence, the only surviving merit in today's highly competitive world. Balwant could attain this merit by its sustained efforts, unbridled passion, upwardly scaled mobility with a rare Rayatian touch of love and compassion towards its stakeholders.

Balwant has it all: impressive infrastructure, result oriented teaching, activities that cover the overall growth of its students. It has excellent sports facilities, well equipped laboratories, computer centre, digitally facilitated class rooms, activities that will bloom a creative mind and grow a research attitude. It is a place, perfect for the growth of cognitive and creative minds.

If college happens to be the projection of your own perception, a place from where you can harvest in multiple of what you reap, a momentous standby of your aspirations; Balwant is a perfect choice of you.

Welcome to Balwant. Your college...!
